

**The
Alan Turing
Institute**

Clinical AI Skills Townhalls

17 June 2024 - 10am-11am

20 June 2024 - 4pm-5pm

Clinical AI Interest Group

Schedule

00:00 - 00:10 - Welcome and icebreaker

- What training/educational resources have you developed or know about? What need/s do they address?

00.10 - 00.15 - Introduction and aims of session

00:15 - 00:45 - Breakout discussion groups

- What are the needs?
- What are the offers?
- Are there gaps or efficiencies?

00:45 - 01:00 - Share out, summary, next steps

Clinical **AI** Interest Group

The Alan Turing Institute

Next meeting: Tuesday 9th July, 12pm

AI Skills Townhall DAY 2

Aim

To understand and share learning on needs and activities to support AI upskilling of the NHS workforce across the UK.

- Mapping and sharing approaches
- Is there a gap?

Breakout discussion groups

30 mins

You will now be put into breakout groups to discuss these questions:

- What are the needs?
 - What is/are the offer(s)?
 - Are there gaps or efficiencies?
-
- Your group will be chaired by an organiser or appoint a chair
 - Appoint a scribe
 - Feel free to join the discussion or write your answers to these questions on our Miro board

Miro board link: https://miro.com/app/board/uXjVKDxFdVc=/?share_link_id=878825997809

What are the needs?

What are the desirable AI skills needed across the NHS workforce?

How are those needs being captured across the UK?

What are the current offers?

What is currently available, and to whom?

Is it accessible to all?

Are there common areas of focus across AI upskilling offers?

Are there gaps or efficiencies?

Is there a gap? What is the gap?

Is there an opportunity?

Keeping up to date - sharing approaches at scale?

Is there a common “minimum viable product”?

Breakout discussion groups

30 mins

You will now be put into breakout groups to discuss these questions:

- What are the needs?
 - What is/are the offer(s)?
 - Are there gaps or efficiencies?
-
- Your group will be chaired by an organiser or appoint a chair
 - Appoint a scribe
 - Feel free to join the discussion or write your answers to these questions on our Miro board

Share out, summary and next steps

Next steps:

- Summarise themes - will be shared with attendees and openly
- In person meeting - 2nd July 2024

Thanks!

- Clinical AI Interest Group organisers - Nick Fuggle, Alisha Davies, Joe Alderman, Emma Karoune
- Shakir Laher, Research Application Manager

Thanks also to all those that attended our town halls.
